

JASON COLLINGWOOD

Rug Weaving: 2/2 Twill Course

The course will include straight twill, broken twill and twill on opposites. Within the above three structures many two and three colour sequences will be explored, each giving their own unique design. Crossed wefts (parallel and contrary motion) and clasped wefts will be applied to 2/2 twill, further increasing the design possibilities. Pick-up and 3/1 double faced twill will also be looked at. This class will also include some work with Shaft Switching, students learning how to adapt their own looms.

Having initially learnt the craft at 18 from his father, Jason returned to it in his mid-20s to set up his own workshop. 35 years, and thousands of rugs later, 2020 was the year Jason decided to 'hang up his shuttle' and take a step back from weaving. So, these 2 classes will quite possibly be the last ever he teaches, as there are no plans to continue actively pursuing the teaching side of things.

Course Dates: Saturday 16th to Monday 18th October 2021

Fees: £300

If you would like a place, please contact Jill Davies jill@multigon.co.uk or 01803 867395.
