

JASON COLLINGWOOD

Rug Weaving: 3-end Blockweave

An exploration of three-end block weaves, the same structure Jason uses to weave all his rugs.

Starting with simple two-colour designs and moving on to designing within the blocks and the introduction of a third colour.

Techniques such as clasped wefts and dovetailing will be looked at to further increase the design scope of this structure.

2 / 1 double faced twill will also be covered in this class.

Special emphasis will be placed on Shaft Switching, every one being able to adapt their looms in class to try out this exciting technique.

Having initially learnt the craft at 18 from his father, Jason returned to it in his mid-20s to set up his own workshop. 35 years, and thousands of rugs later, 2020 was the year Jason decided to 'hang up his shuttle' and take a step back from weaving. So, these 2 classes will quite possibly be the last ever he teaches, as there are no plans to continue actively pursuing the teaching side of things.

Course Dates: Tuesday 12th to Thursday 14th October 2021

Fees: £300
